MRS. M. ARCHDEACON.

Mr. and Mrs. A. L. Robinson, Mr. and Mrs. A. Sherwood and Mrs. C. E. Chichester and son of Allegan, Mich., an automobile party here touring the county for several days, were fulsome in praise of the beautiful scenery hereabouts. They were particularly charmed with the views in historic old Washington. They also visited Pogue's Distillery, and through the courtesy of Mr. Henry Pogue were escorted and shown through the big plant.

EQUITY MEETING

Inspiring Speeches and Big Crowd
Present—Mason County Solid
to the Core

The tobacco meeting held in the Courthouse yesterday afternoon was the largest and most enthusiastic of any similar meeting ever held in the city.

Hon. S. A. Shaukin presided, and after a short and appropriate five minutes talk setting forth the nature and call of the meeting, invited Hon. J. N. Kehoe to address the audience. Mr. Kehoe, ever a forceful and pleasing speaker, gave a plain and practical talk along Equity lines that demonstrated his interest and sincerity in the issue now agitating the minds of the tobacco growers. Mr. Kehoe was followed by Judge C. D. Newell, who spoke earnestly and eloquently in appealing to the farmer to stand shoulder to shoulder in the fight now on for their just rights, and in the end victory would crown their efforts.

The two speeches of Kehoe and Newell may be likened unto a skirmish line in the opening of a great battle, followed up by the heavy artillery and infantry, and in this instance the combined forces were represented in the person of Colonel Joel T. Fort of Tennessee, and right here it may be said in a figurative sense that the Tennessean is a whole corps d'armes in himself.

He has a pleasing address and a manner peculiarly his own in handling his subject. He is fire and tow and a little dynamite mixed. He is an entertaining orator and had the big crowd with him from start to finish. He paid

a fine tribute to the manhood of Mason county, and in a beautiful peroration classed her gifted daughter, Miss Alice Lloyd, as the Maid of Orleans.

That he captured the crowd was evidenced by the way the boys almost fell over themselves to sign up at the close of his speech—over 500 acres being signed in a few minutes.

Of the 8,000 acres in Mason county it is said 5,500 acres are already signed and Wednesday, when the pool closes, it is predicted that few growers will be on the goat side of the question.

The father of Miss Mamie McDaniel, aged 14, auburn haired and pretty, supposed to have eloped with William Browning, aged 20, Sunday night from her home near Mayslick, was in the city yesterday seeking the aid of Chief Harry A. Ort in finding the wayward couple.

SOFTNESS OF SEALSKIN.

Is Rivalled by Human Hair Where
Dandruff is Eradicated.

Sealskin is admired the world over for its softness and glossiness; and yet the human hair is equally as soft and glossy when healthy; and the radical cause of all hair trouble is dandruff, which is caused by a pestiferous parasite that saps the vitality of the hair at its root. Newbro's Herpicide is the only preparation that is fatal to the dandruff germ. Without dandruff there is no falling hair, but a luxuriant growth of glossy, soft hair is certain. Scouring the scalp won't cure dandruff. Kill the dandruff germ. Thousands of women owe their beautiful suits of hair to Newbro's Herpicide. Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich.

Reports made at the State Convention of the Christian Church at Lexington show that nearly \$24,000 was raised this year for State mission work. More than \$119,000 was given for State, home and foreign missions, while fifty-three men in the Kentucky fields are wholly supported by funds from within the State.

The marriage of Miss Anna Elizabeth Gossett of Cynthiana to Mr. William Wallace Embry of Cincinnati will take place October 20th at the Cynthiana Christian Church.

The Rev. E. G. B. Mann of Lexington, formerly of this city, and Mr. Henry A. Power of Paris were chosen delegates to the General Conference of the M. E. Church, South, to be held at Asheville, N. C., in May, 1910.

Before adjourning at Seattle, Wash., the Sovereign Grand Lodge of Oddfellows considered the subject of providing a sanatorium for members of the Order afflicted with tuberculosis. The Oddfellows of Colorado, California and Arizona had heavy burdens to carry in looking after members of the Order who come to those regions hoping to regain their health, and the Grand Lodge delegates say that the whole Order should look after the sick.

A good story is told of Dr. E. L. Powell of Louisville, who was master of ceremonies at the christening of the Edenside Christian Church in Louisville a few days ago. He was not provided with a program and had to call on one of those near him to tell him the order of exercises. He wrote them down and when the ceremonies began commanded to read them off as they occurred. Everything went smoothly until the third or fourth number and then Dr. Powell got "stuck." He couldn't read his own notes. Turning to the singer who had read him the program, he said: "Mr. Blank, you dictate in very poor handwriting."

A Clean Man

Outside cleanliness is less than half the battle. A man may scrub himself a dozen times a day, and still be unclean. Good health means cleanliness not only outside, but inside. It means a clean stomach, clean bowels, clean blood, a clean liver, and new, clean, healthy tissues. The man who is clean in this way will look it and act it. He will work with energy and think clean, clear, healthy thoughts.

He will never be troubled with liver, lung, stomach or blood disorders. Dyspepsia and indigestion originate in unclean stomachs. Blood diseases are found where there is unclean blood. Consumption and bronchitis mean unclean lungs.

Dr. Pierce's Golden Medical Discovery

prevents these diseases. It makes a man's insides clean and healthy. It cleans the digestive organs, makes pure, clean blood, and clean, healthy flesh.

It restores tone to the nervous system, and cures nervous exhaustion and prostration. It contains no alcohol or habit-forming drugs. Constipation is the most unclean uncleanness. Dr. Pierce's Pleasant Pellets cure it. They never gripe. Easy to take as candy.

EVENTFUL MEETING CLOSED

Eighty-Third Annual Conference Finishes Its Work—List of Appointments—Rev. Harrop Remains Here

This is the seventh time Conference has been held at Maysville. The first session of the Conference in the city of Maysville convened in 1823, ten years after the first Methodist Church building was erected here. This building was dedicated by Bishop Asbury, but the Conference session was presided over by Bishop George.

The other sessions of the Conference were held in Maysville and the officers presiding were, in 1841, J. Stamper; 1855, Bishop Morris; 1861, Bishop Ames; 1870, Bishop Thompson; 1881, Bishop Merill; 1898, Bishop Ninde, and the present meeting, Bishop Wilson.

The final sessions of the Kentucky Conference were held yesterday. It was the day for reports of Committees, there being several to report. Some of them drew out such prolonged discussion that it became necessary to hold an afternoon session.

It was moved by Rev. F. W. Harrop that the semi-centennial sermon preached by Dr. Thomas N. Hauft be printed in The Western Christian Advocate. The motion carried unanimously.

Rev. J. W. Zimmerman will have completed fifty years in the Ministry during the coming year and he was invited by the Conference to preach the semi-centennial sermon at the next Annual Conference.

The report on condition of our schools showed that Union College at Barboursville and Sandy Valley Seminary were in the best condition in their history.

Dr. David G. Downey, representing the Board of Sunday-schools, appeared before the Conference and stated that if the Conference would pledge its full apportionment to the Board of Sunday-schools, which is but one and one-half per cent. of the total Ministerial support, which amounts to about \$1,400 a Sunday-school, Field

AT Chicago, RUTH BRYAN LEAVITT, daughter of WILLIAM JENNINGS BRYAN, said:

"Whatever you say about me, please don't say I am a suffragette. I loathe the word."

Score one for Cissy.

Nobody but a fool would expect either party, Republican or Democratic, to carry out every pledge made in a National platform; that is, nobody but Democrats and their cousins-german, the wild-eyed Populists. They stand for the ideal and the perfect (?), and if they ever accomplished anything worth mentioning for the National good it has yet to appear. BRYAN and Bryanism, BAILEY and Baileyism, TILLMAN and Tillmanism, is the sum total and product of Modern Democracy. And then they talk of "consistency." Marse HENRY is a sample of so-called Democratic consistency.

Workers would be placed in the Kentucky Conference in these weeks. The pledge was made by the Conference, they being enabled to do this by the liberal offer made by Dr. R. T. Miller at the Sunday evening service, when he agreed to give dollar for dollar with the Kentucky Conference to the amount of \$500. This move is expected to lead a great impetus to Sunday-school work in Kentucky.

The closing item of business in a Methodist Conference is the question, "Where are the Preachers stationed next year?" The appointment follows—

Conferences then adjourned.

After a week of suspense the members of the Third Street Church were greatly relieved and greatly rejoiced when the name of their beloved Pastor, Rev. Harrop, was read out for Maysville. So overjoyed were they that they could not resist a little applause. The Bishop remarked that they had a right to applaud, and referred to Rev. Harrop in the most complimentary terms. There is general satisfaction everywhere, it seems, on his return.

It was moved by Rev. F. W. Harrop that the semi-centennial sermon preached by Dr. Thomas N. Hauft be printed in The Western Christian Advocate. The motion carried unanimously.

Rev. J. W. Zimmerman will have completed fifty years in the Ministry during the coming year and he was invited by the Conference to preach the semi-centennial sermon at the next Annual Conference.

Pittsburgh rivermen are in a very gloomy state of mind on account of the many millions of bushels of coal that are tied up awaiting shipment.

The Great Kanawha river, navigable the year around, carried over 25,000,000 bushels of coal to Southern markets during the year ending June 30th, 1909.

Steamboat men all along the river are taking advantage of the low water and all of the heavy draught boats that are laid up are being repaired and put in trim condition.

The showboat season is about over and the many floating amusement palaces are drifting toward their winter quarters. The "ducks' nest" at Paducah is the winter home of most Ohio river boats.

The packet Ohio on the Parkersburg docks will have her hull rebuilt to a considerable extent and new steel cylinder timbers put on. All the old gunnels will be taken out and replaced with a frame model and a new stern will be put on.

Sportmen in the vicinity of Pittsburgh are gathering data from rivermen relating to the destruction of fish in the rivers from the impurities in the water. It is proposed to submit their findings to the meeting of Game Wardens, which will be held in that city during the latter part of this month.

President Taft will make the trip on the Mississippi river from St. Louis to New Orleans on the lighthouse tender, Oleander, according to the announcement of the Lakes to the Gulf Deep Waterways Association. The Oleander is one of the luxurious boats on the river. The seven Cabinet members, 32 Governors, newspaper men, 168 Congressmen and 19 Senators who have accepted invitations will be on two vessels of good speed.

BAKING POWDER PROOF!

It is an easy matter to determine the relative merits of baking powders by testing them yourself. When baking use Chenoweth's Baking Powder in half the baking and mark it so that you can identify afterwards. Do the same with any other good powder in the other half and notice the results. If you don't think Chenoweth's Baking Powder is best now, you will have no doubt of it after putting it to a practical test.

QUALITY GROCERS.

Pittsburghers lost over \$1,000,000 as a result of the recent tornado which swept the Gulf coast. The Monongahela River Consolidated Coal and Coke Company lost practically all the coal it had afloat, the value of which is estimated at over \$600,000.

The ninth annual convention of the Woman's Christian Temperance Union will convene Friday at Lexington.

It is estimated that 10,000 acres of tobacco were harvested in Shelby county this year—the largest crop on record.

Mrs. Rela Coburn, aged 55, died a few days since at her home at Portsmouth, and her remains were taken to Augusta for interment.

Mrs. Margaret Guinsel died a day or so since at the Oddfellows Widows and Orphans Home at Lexington, aged 83. She was formerly of Louisville and had been an inmate of the Home ten years.
